

## WHEELS & CASTORS

**Fallshaw** produce quality Australian-made castors for a wide range of applications and industries. Their massive range includes castors suitable for trolleys, carts, furniture, hospital beds and chairs, medical equipment, wheelchairs, machinery, lawnmowers, barbecues, handtrucks, bins, industrial equipment and more.

Choose from light duty through to very heavy duty industrial castors; specialised castors for extreme temperatures or corrosive environments; medical castors for hospital beds or equipment; or stylish decorative/designer castors to complement your furniture.

Fallshaw's Australian-made wheels and castors are built to last, and come with a three year warranty.

### Light duty

**K series castors**  
50-100 kg load capacity

Light duty castors ideal for lighter loads.

### Medium duty

**M series castors**  
85-200 kg load capacity

Medium duty castors for multi-purpose trolleys & equipment.

### General duty

**J series castors**  
150-300 kg load capacity

General duty suitable for general purpose trolleys and equipment.

### Heavy duty

**O series castors**  
230-500 kg load capacity

Heavy duty castors with tough wheels for heavy loads.

### Very heavy duty

**V and X series castors**  
450-2450 kg load capacity

Very heavy duty castors ideal for industrial equipment and machinery.

### Stainless steel

**M and O series castors**  
85-500 kg load capacity

100% corrosion-free stainless steel castors for corrosive environments.

### Medical

Wide range of castors to suit ward furniture, hospital beds and catering equipment.

### Pneumatics
